

**Spring break mini book**  
**Designer: Kelly Purkey**

As someone who loves to travel, I think taking a nice Spring Break may be my favorite thing about the season. This year I headed down to Orlando, Florida for some quick sun & fun. Before I left I created this easy mini album using CDs to record my trip. Small enough to pack along, I made sure to leave room for journaling, photos, and a few pieces of memorabilia I might pick up along the way. Here are some ideas to get your album started.

I used CDs to use as the base of this mini album.

For the cover:

1. Stamp Harlequin diamond stamp onto a clear transparency using white ink. After ink dries, trace CD onto the backside of the transparency and trim into a circle.

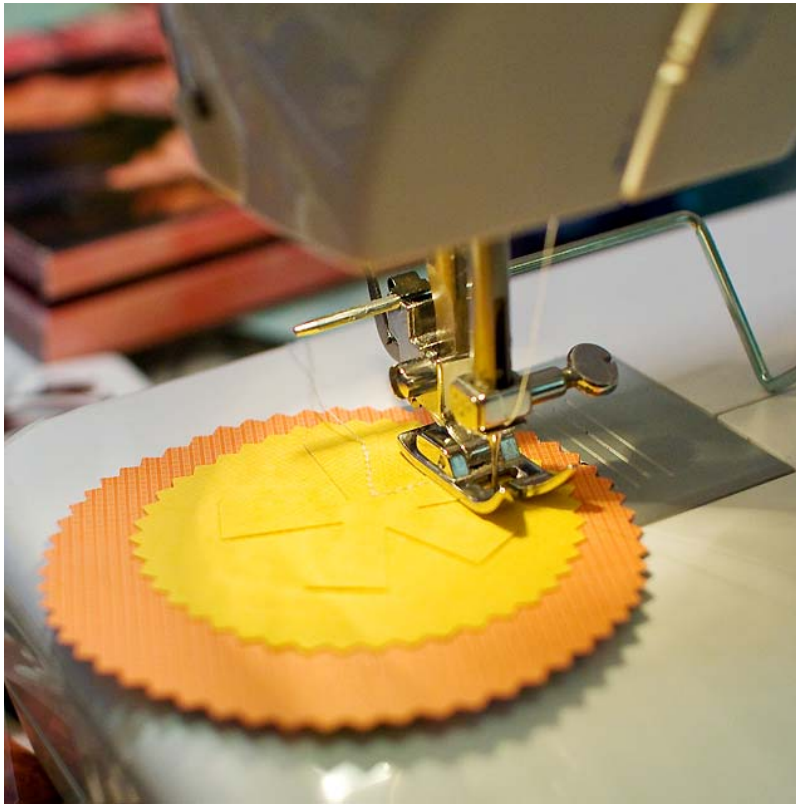

2. Punch Heidi Grace patterned paper with Fiskars Upper Crest border punch and adhere to the cover. Add Heidi Grace letter stickers for the title of the album.

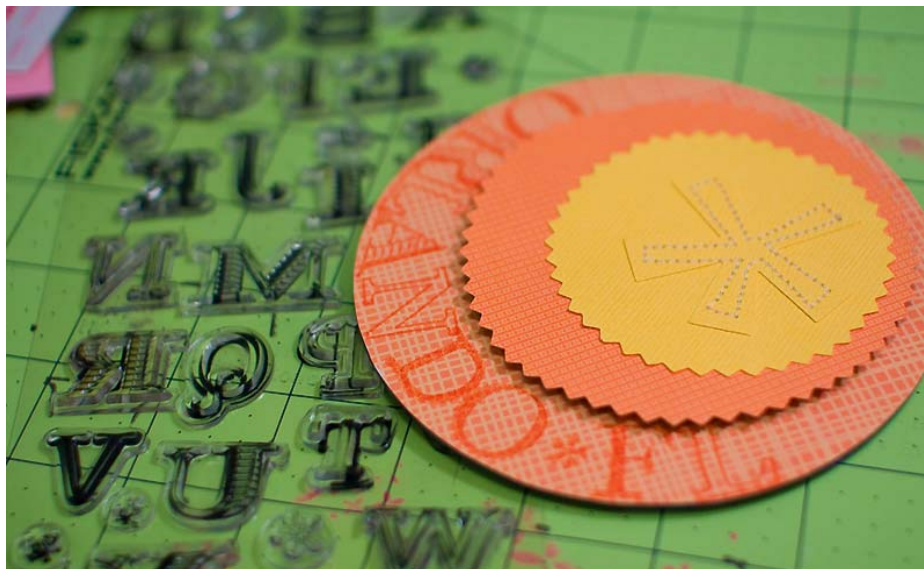

Use Heidi Grace rubons on Heidi Grace patterned paper for the title, then punch using Twinkle Twinkle squeeze punch. Adhere star to the cover overlapping letter stickers just a bit. Run through sewing machine to stitch it all together.

1. To create the background, trace CD onto orange Heidi Grace patterned paper and trim.
2. To create the sun, use Fiskars circle template to trace a small circle onto orange Heidi Grace patterned paper. Trim out using Fiskars pinking paper edgers. Use Fiskars circle template and Ultra ShapeXpress to cut a small circle out of yellow cardstock and adhere to pinking orange circle.

3. Use Fiskars Press Star squeeze punch to punch a flower out of yellow cardstock and adhere it to the yellow circle. Add a stitched outline with your sewing machine.

4. Use Heidi Grace stamps and orange ink to stamp vacation destination on the orange circle background.

5. Adhere layered sun onto orange background with foam adhesive. Adhere completed page to the front of a CD.

Pages 2 & 3:

1. To create the background for the flight page, trace CD onto blue Heidi Grace patterned paper and trim.
2. Print out flight boarding pass and cut into a circle using Fiskars circle template and Ultra ShapeXpress.

3. Mount the boarding pass piece onto kraft cardstock and trim out using scallop paper edgers. Then adhere to blue circle background and stitch together with sewing machine.

4. Punch five arrows out of Heidi Grace patterned paper using Fiskars One Way squeeze punch. Adhere them to the top of the page, overlapping just a little bit. Trim off the excess and add Cloud 9 rain dots to the arrows.

5. Use Heidi Grace rubons on cardstock to spell 'fly' then punch out using He Said, She Said squeeze punch. Adhere word bubble to the page with foam adhesive and then adhere page to the back of the CD with the sun on the front.

6. To create the background for the day 1 page, trace CD onto red Heidi Grace patterned paper and trim. Stamp Li'l Davis stamp onto white cardstock and trim out.

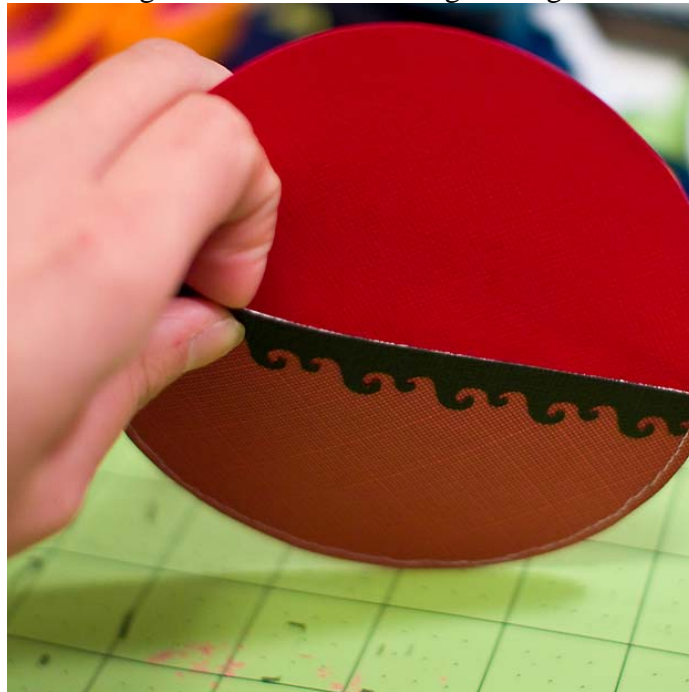

7. Mount onto a strip of Heidi Grace patterned paper and adhere to red background. Use Fiskars Apron Lace border punch on a strip of Heidi Grace patterned paper.

8. Adhere punched strip above and below the stamped image. Trim red cardstock into a strip and adhere to the page below the stamped image. Add Heidi Grace stickers for the title. Adhere the page to the front of a CD.

1. To create the background for the pocket page, trace CD onto red cardstock and trim. Trace the bottom half of a CD onto Heidi Grace patterned paper and trim out to create a half circle. Set half circle onto red cardstock background and use sewing machine to stitch along the edge of the circle, creating a pocket.

2. Use Fiskars Boundary Waves border punch on a strip of black cardstock and adhered at the top of the pocket. Punch out a small tag using Fiskars Tag, You're It squeeze punch and adhere to the page with foam adhesive. Add two Cloud 9 rain dots. Adhere page to the back of the day 1 CD.

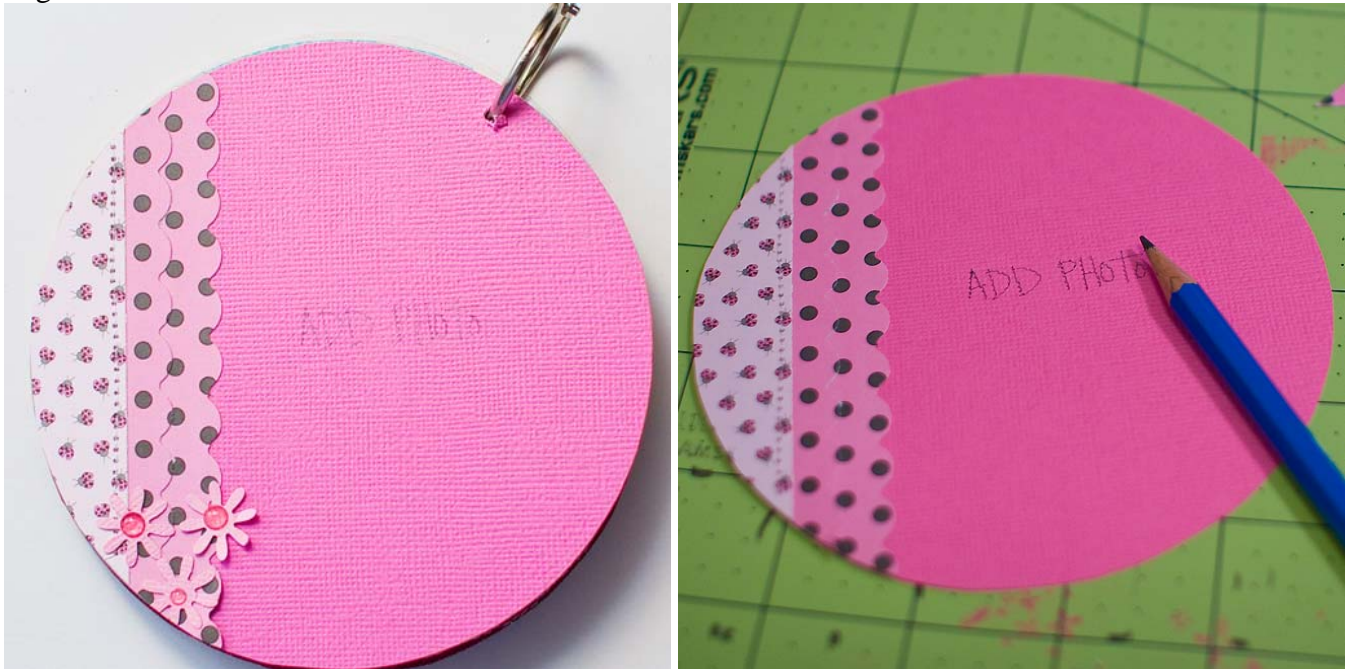

3. To create the background for day 2, trace CD onto Heidi Grace patterned paper and trim.

4. Use Fiskars Seal of Approval squeeze punches to punch out three circles from pink cardstock. Using a ruler and black pen, draw lines for journaling onto each of the circles then adhere them to the page.

5. Punch flower out of pink cardstock using Fiskars Oopsie Daisy squeeze punch and adhere it to the page using foam adhesive. Add Heidi Grace letter stickers and Cloud 9 rain dots. Adhere to the front of a CD.

Page 6:

1. To create the background for the photo page, trace CD onto pink cardstock and trim.
2. Use Fiskars Scallop Sentiment border punch on Heidi Grace patterned paper. Trim into two strips and adhere them layered onto the pink circle background.

3. Trim Heidi Grace patterned paper and adhere onto layered scallops. Run through sewing machine, stitching them together. Then adhere page to the back of day 2 CD.

note: I wanted to keep this page for photos later, so I lightly penciled in a note.

At this point continue to add pages for each day of your trip. Once all the pages are complete, use the Fiskars Hand Drill to drill a small hole in the top of each CD. I recommend holding it over a trash can so you do not drill a hole through the CD and into your desktop. Use a book ring or ribbon to bind your mini album together.

Enjoy making fun memories on your vacation!

**Supplies:**

01-002349 Fiskars Premium Crafting Trimmer  
01-004667 Fiskars Harlequin Stamps  
12-29587097 Fiskars Stamp Press  
01-004595 Fiskars Upper Crest Border Punch  
12-74187097 Fiskars Twinkle Twinkle Squeeze Punch  
48507097 Fiskars Circle Template  
92007097 Fiskars Pinking Paper Edgers  
48007097 Fiskars Ultra ShapeXpress  
12-7326 7097 Fiskars Press Star Squeeze Punch  
92017097 Fiskars Scallop Paper Edgers  
12-74317097 Fiskars One Way Squeeze Punch  
12-74177097 Fiskars He Said, She Said Squeeze Punch  
01-004597 Fiskars Apron Lace Border Punch  
01-004596 Fiskars Scallop Sentiment Border Punch  
01-004599 Fiskars Boundary Waves Border Punch  
12-74257097 Fiskars Tag You're It Squeeze Punch
